

National Centre for Cybersecurity

Date: 5th May 2026

To Whom It May Concern

This certifies that Ms. Maimoona Shah Khan served as an intern at the National Centre for Cyber Security from September 2025 to April 2026 under the mentorship of Team Lead Sheikh Abdul Basit.

Throughout the internship, Ms. Maimoona has consistently displayed strong problem-solving abilities, attention to detail, and a collaborative spirit. She worked on solving critical yet innovative cybersecurity issues and addressed them quickly and efficiently. Her contributions included:

- Set up a SIEM and configured rules/alerts for advanced detection
- Deployed an open-source EDR and researched capabilities
- Contributed to Malware detection using pattern learning
- Threat Intelligence

We are confident that she will carry the same level of dedication and excellence into her future endeavors. We express our sincere gratitude for her valuable contributions to NCCS.

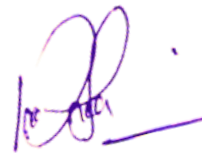

We wish her continued success in all her professional pursuits.

If you need any more information, please feel free to contact us.

Sincerely,

Sheikh Abdul Basit
Security Engineer & Team Lead
